Re: Petition of the Office of Regulatory Staff to Establish Dockets to Consider Implementing the Requirements of Section 1251 (Net Metering and Additional Standards) of the Energy Policy Act of 2005 – Request for Authorization to Revise Its Net Metering Tariff – South Carolina Electric and Gas Company  
**Docket No. 2005-385-E**

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") has reviewed the filing in the above referenced docket and has no objection to the request by South Carolina Electric & Gas Company to modify its net metering tariff. The revised tariff would move the annual reset date for accumulated excess energy accrued under the tariff from June 1 to November 1.

Sincerely,

John W. Flitter
